## Learn to learn

Learn to learn is a meta-cognitive skill that involves understanding how to learn and applying that knowledge to new situations.

Technology

Improving Quality of Life through Technology

A dark-themed slide with a list of professions on the left and a footer at the bottom. The footer includes a logo for 'The Daily Poolband' and the text 'Improving Quality of Life through Technology'.

- Software Developers
- Dancers
- Curators
- Boat Builders
- Directors
- Authors
